MSVF FEES

Unlike some other groups, Mustardseed Veteran Financing does not charge any upfront fees.

When... and only if... you are funded, Mustardseed Veteran Funding will receive 3% of your funded amount. Most lenders typically 'bake this into' the total funding so it doesn't impact the amount you receive.

We are dedicated to helping Veterans and Spouses like you get the financial resources you need to launch, buy or expand your business.

If you have any questions, just ask Rhonda or one of the Advisory Board members.

ABOUT MSVF

As military Veterans, and veteran entrepreneurs, we know first-hand how time consuming, frustrating and disappointing the loan application process can be. We have solid working relationships... in some cases proprietary relationships... with numerous SBA Veteran-Friendly lenders.

Start now and we will expedite your loan process to get you the funding you need to achieve your objectives.
